

Histogram of χ_{geo}^2 before data cleaning

Histogram of $\chi^2_{primfirst}$ before data cleaning

Histogram of $\chi^2_{\text{primsecond}}$ before data cleaning

Histogram of χ^2_{topo} before data cleaning

Histogram of \cosine_{first} before data cleaning

Histogram of \cosine_{second} before data cleaning

Histogram of \cosine_{topo} before data cleaning

Histogram of distance before data cleaning

Histogram of η before data cleaning

Histogram of l before data cleaning

Histogram of $\frac{I}{\Delta I}$ before data cleaning

Histogram of invariant mass before data cleaning

Histogram of p before data cleaning

Histogram of pT before data cleaning

Histogram of ϕ before data cleaning

Histogram of p_x before data cleaning

Histogram of p_y before data cleaning

Histogram of p_z before data cleaning

Histogram of rapidity before data cleaning

Histogram of x before data cleaning

Histogram of y before data cleaning

Histogram of z before data cleaning
